LEGAL DISCLAIMER

SwissTargetPrediction is provided to you by the SIB Swiss Institute of Bioinformatics free-of-charge in the hope that it will be useful for your research. This software is for research purposes only, and not for clinical use.

SIB is responsible for maintaining and updating the software. However, SIB makes no representation or warranty regarding any results obtained from using SwissTargetPrediction, its predictions and any other information it provides. Furthermore, SIB makes no guarantees about data confidentiality using SwissTargetPrediction on its public service website.

SIB bears no responsibility for any incidental or consequential damages or direct or indirect damages that result from the use of results, data or information, which have been provided through its servers.

SIB through SwissTargetPrediction may provide Internet links to other remote sites and services. SIB is not responsible for the availability of these services and for your compliance for the licensing and usage terms of such sites and services.

The name of the SIB Swiss Institute of Bioinformatics should not be associated with publicity or business promotion without prior written approval.
